Smell and Taste 11

a practical introduction to the physiology and pathophysiology of the chemical senses

Generously sponsored by the European Chemoreception Research Organisation, [ECRO](#)

Where: Lecture hall ("Hörsaal") in house number 19, Fetscherstrasse 74, 01307 Dresden, Germany

Start: Friday, 27th of September, 2019, 9:00 h

End: Saturday, 28th of September, 2019, 15:00 h

Registration deadline: 10th of September 2019

Contact: Thomas Hummel, M.D., thummel@mail.zih.tu-dresden.de

Aims

This course is an attempt to teach Smell and Taste in a most practical and interesting way, meaning that the meeting is not only defined by lectures, but through **practical courses and demonstrations**. In addition, the meeting is meant to provide a platform for the **informal discussion** of questions related to clinical issues around smell and taste - to this end we will hold plenary sessions where, for example, cases will be presented. Last, no least, the meeting is meant to build or to strengthen **networks** among the small community of clinicians interested in smell and taste.

Location

Lecture Hall ("Hörsaal") at the DINZ, Fetscherstrasse 74, D-01307 Dresden

[Location through Google Maps](#): Coordinates 51.058192, 13.781396

It will be organised through the [Smell & Taste Clinic](#) of the [Department of Otorhinolaryngology](#) of the University of Dresden Medical School, Fetscherstrasse 74, 01307 Dresden, Germany, phone +49-351-458-4189.

[Specific site map of the clinic](#)

How to get to the conference site?

Lecture Hall ("Hörsaal") at the DINZ, Fetscherstrasse 74, D-01307 Dresden

[Location through Google Maps](#): Coordinates 51.058192, 13.781396

from the Airport:

From the Airport, please take the train S2 (every 30 min) to the train station Bahnhof-Neustadt. Then take the tram no. 6, direction Niedersedlitz, to the station Blasewitzer Strasse / Fetscherstrasse. Cross the street and walk along the Blasewitzer Strasse until the next intersection with Augsburger Strasse (about 200 m) which brings you to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

by train

From the **main train station Hauptbahnhof** please take the tram no. 10 from Hauptbahnhof Nord, direction Striessen, to the station Fetscherplatz. Then take the tram no. 12, direction Striessen, to the station Augsburger Strasse/Universitätsklinik. Cross the street and walk along the street Augsburger Strasse till you come after 50 m to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

From the **train station Bahnhof Neustadt** take the tram no. 6, direction Niedersedlitz, to the station Blasewitzer Strasse / Fetscherstrasse. Cross the street and walk along the Blasewitzer Strasse until the next intersection with Augsburger Strasse (about 200 m), take a left on Augsburger Strasse till you come after 50 m to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

The Dinner

The dinner will start at 7:30 p.m. at the [Restaurant Chiaveri](#), Bernhard-von-Lindenau-Platz 1, 01067 Dresden, phone +49 351 4960399.

The Excursion (to be determined)

On Saturday morning there will be an opportunity for 7 early birds to drive to the [Saxonian Switzerland](#) (the Bastei) which offers a spectacular view over this national reserve. The bus leaves at **5:15 a.m.** in front of the lecture hall (house #19) and will be back at 8:30 a.m. Ayaho Yoshino will accompany the group. There will be fruits and some sweets plus water on the bus for a makeshift breakfast. Please let Thomas Hummel know whether you will join or not.

Fee

Fee for participation is 220 Euro. For participants with an industrial background the participation fee is 500 Euro. Fees must be paid on registration with money transfer or through credit card. The refund for no show is limited to 50%.

Continued Medical Education : The course will earn you 20 points, Category C.

Conference fees can be paid either by credit card or by money transfer. To pay by credit card please email the following information to [Thomas Hummel](#)

Credit Card payment:

Last name, first name (as written on card)

Card Type (VISA or MASTERCARD)

Credit card number

Expiration date

Conference fee

Email for possible inquiry

Money transfer - please send the money to the following account:

Within Germany:

Carl Gustav Carus Management GmbH

Important: Please indicate as purpose of the payment "SMELLANDTASTE11" plus your name

Bank: Deutsche Kreditbank AG

BLZ: 120 300 00

Account number: 11 248 333

From outside of Germany:

Receiver: Carl Gustav Carus Management GmbH

Important: Please indicate as purpose of the payment "SMELLANDTASTE11" plus your name

IBAN: DE 71 1203 0000 0011 248 333

BIC: BYLADEM 1001

Carus Management GmbH is responsible for the contractual and financial settlement of this event. According to the guidelines of the (Model) Professional Code for Physicians in Germany (MBO) § 32 (3), FSA Code of Conduct § 20 (5) and AKG Code of Conduct § 19 (5), organizers are obligated to disclose the financial support.

Deadline

Deadline for registration is the 10th of September 2019 . Please send an informal application to [Thomas Hummel](#) . Please let us know whether you would like to participate in the conference dinner. The maximum number of participants is 48; in case of more than 48 applications the date of application will decide about participation.

Speakers and Topics

Croy , Ilona (Dresden) - The social dimension of olfactory loss

Damm , Michael (Cologne) - Olfactory function in sinunasal disease

Faria , Vanda(Dresden) - Imaging of olfactory function in olfactory loss

Haehner , Antje (Dresden) - Neurodegenerative olfactory loss

Holbrook , Eric (Boston) – plasticity in olfaction

Hummel , Thomas (Dresden) - General aspects, olfactory testing

Konstantinidis , Jordan (Thessaloniki) - Posttraumatic olfactory loss

Landis , Basile (Geneve) - Taste dysfunction

Philpott , Carl (Norwich) – Postviral olfactory loss

Rombaux , Philippe (Brussels) – Congenital anosmia, imaging of the olfactory bulb/sulcus

Schriever , Valentin (Dresden) – acquired olfactory loss in children

Whitcroft , Katie (London) – epidemiology of olfactory loss, spontaneous recovery

Witt , Martin (Rostock) - Anatomy of the human olfactory system

Welge-Lüssen , Antje (Basel) - Idiopathic olfactory loss / surgical therapy

Timetable

[Download](#)

Practical courses

During the practical courses we will focus on the following:

- > olfactory testing
- > taste testing
- > chemosensory event-related potentials
- > recording of electro-olfactograms

- > electrogustometry
- > retronasal olfactory testing
- > investigations of trigeminal sensitivity
- > nasal endoscopy and intranasal volumetry
- > anatomy of the "olfactory brain"
- > histology of the olfactory epithelium
- > MRI-based volumetry of the olfactory bulb
- > biopsies from the olfactory epithelium
