## Smell and Taste 12

a practical introduction to the physiology and pathophysiology of the chemical senses– in

Collaboration with  [the Japanese Rhinologic Society](#)  The Japanese Rhinologic Society

Sponsored by the European Chemoreception Research Organisation,  [ECRO](#)

**Where:** Lecture hall (“Hörsaal”) in house number 19, Fetscherstrasse 74, 01307 Dresden, Germany

**Start:** Friday, 2<sup>nd</sup> of October, 2020, 9:00 h

**End:** Sunday, 4<sup>th</sup> of October, 2020, 15:00 h

**Registration deadline:** 10<sup>th</sup> of September 2020

**Contact:** Thomas Hummel, M.D., [✉ thummel@msx.tu-dresden.de](mailto:thummel@msx.tu-dresden.de)

### Aims

This course is an attempt to teach Smell and Taste in a most practical and interesting way, meaning that the meeting is not only defined by lectures, but through **practical courses and demonstrations**. In addition, the meeting is meant to provide a platform for the **informal discussion** of questions related to clinical issues around smell and taste - to this end we will hold plenary sessions where, for example, cases will be presented. Last, no least, the meeting is meant to build or to strengthen **networks** among the small community of clinicians interested in smell and taste.

### Location

**Lecture Hall (“Hörsaal”) at the DINZ, Fetscherstrasse 74, D-01307 Dresden**

 [Location through Google Maps](#): Coordinates 51.058192, 13.781396

It will be organised through the [Smell & Taste Clinic](#) of the  [Department of Otorhinolaryngology](#) of the University of Dresden Medical School, Fetscherstrasse 74, 01307 Dresden, Germany, phone +49-351-458-4189.

[Specific site map of the clinic](#)

### How to get to the conference site?

**Lecture Hall (“Hörsaal”) at the DINZ, Fetscherstrasse 74, D-01307 Dresden**

 [Location through Google Maps](#): Coordinates 51.058192, 13.781396

*from the Airport:*

From the Airport, please take the train S2 (every 30 min) to the train station Bahnhof-Neustadt. Then take the tram no. 6, direction Niedersedlitz, to the station Blasewitzer Strasse / Fetscherstrasse. Cross the street and walk along the Blasewitzer Strasse until the next intersection with Augsburger Strasse (about 200 m) which brings you to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

*by train*

From the **main train station Hauptbahnhof** please take the tram no. 10 from Hauptbahnhof Nord, direction Striessen, to the station Fetscherplatz. Then take the tram no. 12, direction Striessen, to the station Augsburg Strasse/Universitätsklinik. Cross the street and walk along the street Augsburg Strasse till you come after 50 m to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

From the **train station Bahnhof Neustadt** take the tram no. 6, direction Niedersedlitz, to the station Blasewitzer Strasse / Fetscherstrasse. Cross the street and walk along the Blasewitzer Strasse until the next intersection with Augsburg Strasse (about 200 m), take a left on Augsburg Strasse till you come after 50 m to the gate of the clinic area. Please continue to walk for another 400 m or so, then the DINZ (house #19) is on the right.

### The Dinner

The dinner will start at 7:30 p.m. at the Kanonenhof, Brühlscher Garten 4, 01067 Dresden, some more information [here](#)

For Location: [click here](#)

### The Excursion

On Saturday morning there will be an opportunity for 7 early birds to drive to the [Saxonian Switzerland](#) (the Bastei) which offers a spectacular view over this national reserve. The bus leaves at **5:30 a.m.** in front of the lecture hall (house #19) and will be back at 8:30 a.m. Ayaho Yoshino will accompany the group. There will be fruits and some sweets plus water on the bus for a makeshift breakfast. Please let Thomas Hummel know whether you will join or not.

The excursion is free! Costs for that are included in the conference fee.

### Fee

Fee for participation is 240 Euro. For participants with an industrial background the participation fee is 500 Euro. Fees must be paid on registration with money transfer or through credit card. The refund for no show is limited to 50%.

**Continued Medical Education:** The course will earn you 20 points or more, Category C. 

Conference fees can be paid either by credit card or by money transfer. To pay by credit card please email the following information to [Thomas Hummel](#)

**Credit Card** payment:

Last name, first name (as written on card)

Card Type (VISA or MASTERCARD)

Credit card number

Expiration date

Conference fee

Email for possible inquiry

**Money transfer** - please send the money to the following account:

*Within Germany:*

## Contact

[Prof. Dr. med. Thomas Hummel](#)

Department of Otorhinolaryngology, University of Dresden Medical School

Fetscherstrasse 74 , 01307 Dresden, Germany

phone +49-351-458-4189 or -3197

Fax +49-351-458-7370

✉ [thummel@msx.tu-dresden.de](mailto:thummel@msx.tu-dresden.de)

## Deadline

Deadline for registration is the 10<sup>th</sup> of September 2020. Please send an informal application to [✉ Thomas Hummel](mailto:thummel@msx.tu-dresden.de). Please let us know whether you would like to participate in the conference dinner. The maximum number of participants is 48; in case of more than 48 applications the date of application will decide about participation.

## Speakers and Topics

**Croy**, Ilona (Dresden) - The social dimension of olfactory loss

**Damm**, Michael (Cologne) - Olfactory function in sinunasal disease

**Faria**, Vanda(Dresden) - Imaging of olfactory function in olfactory loss

**Haehner**, Antje (Dresden) - Neurodegenerative olfactory loss

**Hummel**, Thomas (Dresden) - General aspects, olfactory testing

**Konstantinidis**, Jordan (Thessaloniki) - Posttraumatic olfactory loss

**Landis**, Basile (Geneve) - Taste dysfunction

**Philpott**, Carl (Norwich) – Postviral olfactory loss

**Rombaux**, Philippe (Brussels) – Congenital anosmia, imaging of the olfactory bulb/sulcus

**Schriever**, Valentin (Dresden) – acquired olfactory loss in children

**Whitcroft**, Katie (London) – epidemiology of olfactory loss, spontaneous recovery

**Witt**, Martin (Rostock) - Anatomy of the human olfactory system

**Welge-Lüssen**, Antje (Basel) - Idiopathic olfactory loss / surgical therapy

Yet to be determined:

Ramakishnan, Vijay (Denver)

Soler, Zach (Charleston)

Miwa, Takaki (Kanazawa)

Patel, Zara (Stanford)

## Timetable

## Practical courses

During the practical courses we will focus on the following:

- > olfactory testing
- > taste testing
- > chemosensory event-related potentials
- > recording of electro-olfactograms
- > electrogustometry
- > retronasal olfactory testing
- > investigations of trigeminal sensitivity
- > nasal endoscopy and intranasal volumetry
- > anatomy of the "olfactory brain"
- > histology of the olfactory epithelium
- > MRI-based volumetry of the olfactory bulb
- > biopsies from the olfactory epithelium

## What to see?

[!\[\]\(cbd8541a32dfc32f356f5c6c994b0a21\_img.jpg\) Dresden sightseeing tour](#)

[!\[\]\(d3e32d099174a7c248ec1f564ee4f69c\_img.jpg\) City of Dresden homepage](#)

[!\[\]\(40770d9ed6ed4f1222ebf89a1396e8b2\_img.jpg\) Dresden and Saxony](#) (Dresden is the state capital of Saxony!)

## Where to stay?
